GIRL IDEAS

SEW IT YOURSELF

Fake fur can forestall a furor over what to give a teenage girl. Consider a gift wrap you can sew yourself.

Fake fur is easy to sew on and requires no special needle or equipment. The chubby is a basic cardigan style with no collar or cuffs. This can be made waist length, hip length or in the popular car coat length, shown.

This fake fur chubby is made from McCall's Carefree® Pattern #4240, available in sizes 6 to 16. It's one furlow in which she can really become all wrapped up!

At one time people believed that every plant bore a sign that told which sort of human disease it cured.

IN MEMORIAN

JONES: In sad but loving memory of my husand, our father and grandfather, Brady Jones, Sr., who left us one year ago, November 25, 1974.
One year ago you left us,
And took our hearts along,
And made a weaker family
Of one that felt so strong.

He had a smile for everyone,
A heart as pure as gold;
To those who knew and loved him,
His memory will never grow old.

Sadly missed by wife and children and grandchildren
11-26-1p

In loving memory of our dear husband, father, and grandfather, David Berkley Ferguson, who passed away one eyar ago on November 27, 1974.
Many a lonely heartache,
Often a silent tear,
Has always a beautiful memory
Of the one we loved so dear.
Your memory to us is a keepsake,
With which we shall never part.
Although God has you in his keeping,
We will always have you in our heart.
Loved and missed by, Virginia, Patricia and Brian. 11-27-1p

In loving memory of my husband, Charlie J. Bagby, who passed away November 24, 1967.
There's an open gate at the end of the road
Through which each must go alone,
And there is a light we cannot see,
But our Father claims His own
Beyond the gate my loved one finds happiness and rest.
There is comfort in the thought that a loving God knows best.
Sadly missed by his wife,
Mary C. Bagby

What's New With Christmas Trees?

The Virginia Department of Agriculture and Commerce in cooperation with the Virginia Christmas Tree Association is launching a "first" for the state in the promotion of Virginia grown products. This time it's "choose and cut" your very own Christmas tree. Many growers have in years past opened their plantations or farms to the public for this purpose; but this is the first time members of the Association have expressed a desire for a coordinated program complete with media coverage and free brochures for consumers containing the growers trade name; the contact; directions to the plantation; telephone number; visiting hours; tree species; and type of service available.

This can be a really exciting adventure in the celebration of the most exciting holiday of the year. It may not be like going to grandmother's house, but it's surely next best -- a really great way for family and friends to usher in the Yule season. But there's much, much more. Think of the long lasting fragrance permeating every corner of the house. Think of the needles you won't be breathing in because you have a freshly cut tree -- not one cut months ago. Think, too, how you'll eliminate the anxiety of a tree not quite freshly cut Christmas trees have needles that are full of water and will resist burning.

To keep your Christmas tree in its fresh state and even more fire resistant throughout the holiday season, the Association recommends that you cut one inch off the base of the stem as soon as you get your tree home and place it in a clean pail of warm water. Put the tree in a cool, shaded area protected from wind and sun. Before bringing the tree indoors, cut another inch off the stem and place the tree in a stand designed to hold water or in a pail of clean sand to which water can be added.

Join in the fun of "choose and cut" your own Christmas tree. Write for your brochure to : Christmas Trees 1975, Box 1165, Farmville, Virginia 23209. If you're in the Richmond area, phone 786-4046.
